

PHOON CHI HO - COMEDY CRUSADER AND BOREDOM BUSTER!

If you're hungry for some clean hilarity and inoffensive comedy entertainment for your event, then **PHOON CHI HO** is all you need!

Equipped with a catalogue of sharp-wit observations, off-the-wall dance moves, and rib-tickling takes on local life that will liven any corporate events, private functions, anniversary dinners, birthday parties, and comedy nights.

Phoon Chi Ho is a Malaysian stand up comedian, actor and scriptwriter.

A product of Kuala Lumpur's underground comedy scene, his big break came when local comedy wizard **Douglas Lim** took him (and another dude) under his wing to form the **Malaysian Association of Chinese Comedians**.

Ever since then, his incursions into the world of comedy have seen him become one of the most sought-after comedians at corporate events and have allowed him to share the stage with comedy greats like **Harith Iskander, Afdlin Shauki, Paul Ogata, Gina Yashere** and many more.

Comedy also opened up different avenues for him. As an actor, Chi Ho held starring roles in numerous TV commercials, feature roles in two local sitcoms - **Small Mission Enterprise** and **Cakap Melayulah**, supporting roles in two big-budgeted musicals - **Supermokh** and **Baik Punya Cilok**, as well as a leading role in the local production of the world's longest running play, *Shear Madness Kuala Lumpur*.

In 2016, and with the help of Google Translate, Chi Ho performed in Bahasa Malaysia for the very first time and was lucky enough to headline **Astro Warna's Komediri (ch132)** – twice!

As a scriptwriter, he has penned scripts for two popular local sitcoms - **Small Mission Enterprise** and **Oh My English!**
